The Branding Company

**MOBO** Promotional Solutions has been named as a finalist for the Image Award by the PPPC (Promotional Products Professionals of Canada, Inc.), of which we are a proud member.

Since 1956 the PPPC has been the national association guiding our industry. We are honored to have been recognized from amongst our peers across Canada. In 2012, **MOBO** did win the Gold Award and we are hoping we will again in September at the Gala in Toronto.

The project we are being recognized for was the way in which we were able to assist our client, Rack Petroleum with an order for 3000 Jerry Cans. They sought our assistance in sourcing a unique give-away item that their clients would use and remember them with. They also wanted to stand out at their trade shows. The Jerry Cans were the talk of the show and netted them with increased traffic, qualified leads and sales.

One way or another, we can usually find a way to decorate anything! This was a first for us and it was a fun project for the entire **MOBO** team. Whatever your budget is, we can assist you in finding an impactful way to tell your story.

Give us a call and we will be happy to meet with you and create a strategy for your next promotion!

Wishing everyone a wonderful Canada Day celebration and a happy and safe July!
