

Mother's Day is May 10th

**It's all because of you!**

Good Day!

A company does not get to reach a 32nd Anniversary without dedicated and loyal customers, staff and vendors. We are truly humbled and thankful for your presence in our lives.

Never in our wildest imaginations could any of us have predicted this strange new world we are living in. The word "pivot" keeps being used and we have watched so many of you embrace change by re-envisioning your service and product offerings. These are amazing acts of faith and courage on your part. The world is changing quickly and so are your business needs.

- **What can we do to support you moving forward?**
- **Are there any new categories, products or services that would help you grow your business?**

We are here to listen and want to hear from you! While we continue to follow all guidelines set out by the Provincial Government and are working in isolation we look forward to seeing you very soon! All sanitation rules will be followed as we move to meeting with clients by appointment to view products and discuss your needs in detail. Until that time, please continue to reach out via phone and email as you have been doing. We appreciate your ongoing support.

Amidst these uncertain times we just want you to know our thoughts are with you and your families.

To quietly celebrate this milestone, we are happy to provide you with some momentary distraction if needed. You are invited to participate in a contest to win a **MOBO Deluxe Gift Basket!**

Print the crossword puzzle below and test your knowledge of **MOBO** and the promotional products industry.
